Hello!

Short Instruction how to log on metryki GenBaza for viewing digital photos from metrical books

First of all you have to done a registration on site http://genpol.com/module-Users-register.html

After you getting login from this site you have to send login and your email adress which you have got registration to ptg@ptg.gda.pl

After getting email from ptg@ptg.gda.pl with confirmation access to viewing photos you have to go on site http//metryki.genbaza.pl/ and go (temporaly) to http://metryki-old.genbaza.pl/ and log on

Then you may view interested you metrcal acts
