I am searching for the baptism and family of my ancestor, Florentina Lehr.

both lived in Lisewiec.

She was age 18 at the time of marriage, so was born circa 1835. No parents were listed on the marriage record.

there. There are NO Lehr family records in that parish.

I do not know where she came from. Can anyone help me, please?

Thank you so very much,

Meredith

Florentine Lehr was Catholic, not Protestant. She was married Catholic, all children baptized Catholic, went to Catholic Church in America, died and buried in Catholic Church.

Nowe Polaszki is over 30 miles from Lisewiec, where she was living when married. It seems quite far away.

I do not think this is our Florentina....

The name "Lehr" was consistently spelled "Lehr" in the marriage records and baptism (of her children) records that I have.

Where could she have come from close by to Lisewiec, but not in Pregowo parish?

Thank you for any help.

Ps: You are definitely right - Florentyna Lehrhe from Nowe Polaszki is not your ancestor.
