Mysle ze powinnam pisac po angielku poniewaz mowie slabo po polsku.

Sorry, I'm not very good with Polish (yet).

My question is where do I find birth or marriage or even death records from before 1874? Do they exist? Where would I have to go to look for them.

For background, I'm following contextual clues to the area around Werblinia and Krokowa. Ultimately I'm trying to find records from around ~1860. Its seems that anything before 1874 is very hard to come by, and my family had already immigrated by then.

Any advice or help would be greatly appreciated.
