Hello,

first of all I want to thank all the members of PTG for creating this informative web site.

I really appreciate the tremendous amount of work that went into digitalizing, deciphering and indexing the old parish and registry books. Soon you will have 3 million entries in your database! That's fantastic.

Now I am trying to get more information on one entry in the PTG database and maybe someone can help?

I have located the death certificate entry of my great-great-grandfather David Kuchlin in your fabulous database.

He was ninety years old when he died in 1909.

His death was registered in Alt Grabau (book 2012/194, picture 10_2012_0_194_0013).

Is it possible that you could share the picture of the entry?

Many Thanks in advance

Regards
