Hello, I am looking for the marriage record of Josef Schomburg and Auguste Wangler from the

place between approximately 1888 and 1894.

I already have the birth record of their daughter Clara (entry #19/1895, fond 10/2128/59) confirming father Josef Schomburg (laborer, Seeresen) and mother Auguste née Wangler, both Catholic. Their daughter Helene Rosalie married in Zoppot in 1921 (entry #223), and another daughter Gertrude Hedwig was born 6 March 1901.

entry in the GenBaza scans (files 0041–0060, years 1888–1895)?
