Hello, I'm French and do not speak polish. Sorry for that.
My grand father Jean-Marie Le Garff was POW in stalag IIA Neuebrandenburg from 1940 to 1945. His last Kommando was 75-1 Neustrelitz. He died in 1969. We know that he met a polish woman during his stay in the stalag or in the kommando and he had a baby girl. When he goes back to France, he said to his family that he recognized paternity for this child. For different reasons,he lost contact with the woman and the baby girl. The family is looking for this child for years. We have no name and no place of birth. Do you have any advice to help us ?

jeune femme polonaise soit au stalag soit au Kommando et qu'il a eu une fille avec cette jeune femme. Il a d'ailleurs reconnu cette enfant. Mais pour des raisons diverses il a perdu contact avec

Je n'ai ni date de naissance, ni nom ni lieu. Quelqu'un aurait il des conseils pour me permettre d'avancer dans mes recherches ?
