I am sorry, I do not speak Polish, and I would use the google translator, but I am worried that the translation might say something that I didn't mean to say - so please excuse me while I ask my question in English and hopefully someone will be able to answer me.

On the Records that we can search on this site, there are Book and picture numbers. Is there a way to order a copy of those? OR is there someplace where they can be viewed? I am asking because I would like to see the birth record for my great grandfather Joseph Wensierski. It shows to order a copy?

Your help would be very appreciated.

Thank you,

Patricia Wensierski-Sweitzer

If I remember well the charge is 5 PLN (Polish zloty) for one record.

Good luck,

J.

In the beginning of March of it was 3PLN.

Was there any price increase?
