Hello,

you will find the death records from german soldiers from the 1. World War in the last village were he lived before the war. That might be the problem.

The "Verlustliste" tells you the death of Faustian Ciachorowski, and that he was born on the 15.02.18... in Gr. Montau

So it might be a guess to look here. The "Verlustliste" day was 28. August 1917. That is not the date of the death. That is always ealier. You have to check a longer period.

First check is he the right Faustian Ciachorowski.

Best regards
