Hello to all members,

I am asking for your help, I don't know what to do.

It is about Albert Ernst Kirchhoff I have got the wedding document of my great-grandparents from the archives in Lipno.

of Albert Ernst is called Hulda Kirchhoff, which I already knew because of his baptism document which I got from the archives in Thorn.

Unfortunately, the baptismal record I am attaching below does not state who Albert Ernst's father is. I suspect that the father is of Jewish origin as I have Jewish DNA in Ancestry and FTDNA and have some 100% matches. I myself have only 1% Jewish DNA but because of the 100% matches I would like to trace the 1% and solve the mystery about my great-great-grandfather. All Jewish matches have Polish ancestors in their family trees.

Here is the translation of the baptism from German:

Indicated that from the unmarried servant girl

Hulda Kirchhoff

Protestant religion

On 8 March 1901 in the afternoon at four and three quarters o'clock a boy was born.

Albert Ernst

The complainant declares to have been present at the birth of Kirchhoff.

Now I would like to know if there is an original entry in the church register, because this seems to

I am also attaching the wedding document of Albert Ernst and Amalie, where it says that the mother Hulda Kirchhoff is a "currently married "Rojewska" I have already contacted the archives about this, but they told me that without exact date information I unfortunately cannot be helped.

Here is the translation of the wedding document:

ewangelicko - augusburskiego.

augusburskiego.

Dyspensa Konsystorza ewangelicko - augsburskiego w Warszawie z dnia 23.07.1921. numer : 1645

/ Small changes

both 38 years old.

Hulda Kirchhof, currently married to Rojewska. Lived in Obrowo, Evangelical-Augussburg confession.

One wedding announcement on July 17, 1921.

Dispensation of the Evangelical-Augsburg Consistory in Warsaw of July 23, 1921. number: 1645.

Now my question how can I find out when and where Hulda Kirchhoff got married?

I would also like to find out more about the ancestors of Hulda Kirchhoff and of course who the father of Albert Ernst is.

I kindly ask for your help.

Many thanks in advance

Christoph
