I am looking for any information about my great great grandfather Christian Lietzau of Bohlschau. He was born around 1816 and was married to Henriette Martens. They had 4 children: Albertine, Ferdinand(my great grandfather), Carl and August. He later married Louise Ronke in Bohlschau on May 15, 1853. They had 4 daughters: Hermine, Emilie, Louise and Alwine.

Christian Lietzau died on March 2, 1860 Bohlschau. I was interested in learning who his parents were and if he had any siblings. Is there a death record that would contain that information? Or a birth record to show his parents?

Thank you. Angie Lietzau
