Hello

I am trying to find details of my father's family who I believe came from Kielno and Lezyce in the county of Wejheroe in West Prussia. I am having problems trying to locate any records although I have just discovered a film on the Family Search site which I have ordered . His name is Jan/Johann Nagel born on 20/02/1886 and died in 1967. He had 2 brothers who I think were called August and Michael that I know of. He married Agnieszka Holk but I have no details of birth although I know she died on 9/12/1944. My fathers is Roman Leonard Nagel born on 26/07/1919 in Lezyce and he had a brother and 3 sisters whose names I know but little else. My father was compulsory conscripted into the German Army according to his military record but became a Pow and later joined the Polish Army.
I would be very grateful if anybody point me in the right direct as I seem to be going around in circles.
Thank you
