Your web site has been recommended to me to try and help me further research into my Polish family.

My father was born, Edmund Paul Chilla, on 27 April 1907 in Montawy, Swiecie, Pomorze.
I have recently found out that he was a twin.
His twin sister's name was Lucja.
My father also had three other sisters, Klara, Rosalia and Anna.
I would love to find out what happened to them.
Their parents were named Franciszek Chilla and Juliana Manikowska.
I wonder if you could help me find out more about my family.

Carol Bell (nee Chilla)

The parents of my grandmother - Juliana Manikowska were:

Arbeiter Franz Manikowska and Franziska (sorry, I don't know her maiden name)

Would it be possible to find out any more about them?
