I have been researching my family history and my grandfather Otto Theodor Mueller(Muller) was born in Danzig on 2w0 November 1871 and baptised on 10 December 1871 in Parish Church of St Johann, Danzig.
He settled in England in 1877 and married my grandmother in Lincolnshire, England, in 1899 and died in 1926.
He was the first born child of Johann Joseph Mueller born 30.09.1851 and Maria Josephine Mathilde Schnarke born 11.12.1846 and baptised on 10.01.1847 in Parish Church of St Johann Danzig.
Are you able to help me please regarding further research.
I would like to find out when and where Johann and Maria married and when they died.
They were still living in Danzig in 1906.
I shall be in Gdansk from 29 August - 2 September 2013.
